*Quicken for Mac 2015-2016*

## Introduction

As Penn Liberty Bank completes its system conversion to WSFS Bank, you will need to modify your Quicken settings to ensure the smooth transition of your data. Before continuing with these instructions, please have your WSFS Online Banking user ID and password ready.

**NOTE:** Quicken Express Web Connect accounts use the same User ID and Password as WSFS Online Banking.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15-30 minutes.
